

OBTAINING A MARRIAGE LICENSE

You may obtain a marriage license from the City Clerk's Office at the following address:

City Clerk's Office
Somerville City Hall
93 Highland Avenue
Somerville, MA 02143

The City Clerk's Office accepts marriage license applications Monday-Wednesday, 8:30 AM-4:00 PM, Thursday 8:30 AM-7:00 PM, and Friday 8:30 AM-12:00 Noon. The application process takes approximately 30 minutes to complete.

The fee is \$50.00. The City accepts credit cards (Visa, MasterCard, Discover), checks, money orders and cash. Checks should be made payable to "City of Somerville."

To apply for a marriage license, both applicants must be at least 18 years of age, and must appear together at the City Clerk's Office and bring the following:

- A valid government-issued photo ID for each applicant.
- The Social Security number for each applicant who has been issued one. Federal statutes require the collection of Social Security numbers at the time of application. You do not need to bring your Social Security Card; just have the number available.

Once your application for a marriage license is complete, the license will be issued 3 days later (licenses applied for Monday can be picked up Thursday; licenses applied for Tuesday can be picked up Friday; licenses applied for Wednesday, Thursday or Friday can be picked up the following Monday). Anyone can pick it up at the City Clerk's Office, and there is no charge.

If you want to waive the 3 day waiting period, you must bring an approved Court Petition for a Marriage Without Delay showing a judge's permission to waive the waiting period. The Middlesex County Probate Court is one court that issues these petitions, and is located at 208 Cambridge Street, Cambridge, 617-768-5850.

Please proof-read your license carefully. Correcting even a minor mistake after the fact will cost \$50 and require submitting an affidavit.

The marriage must be solemnized within 60 days of the day you originally apply, or the license will expire. Also, the marriage must be solemnized in Massachusetts, or it will not be valid.

A Priest, Minister, Rabbi, or other religious official, or a Justice of the Peace may perform the ceremony. A Justice of the Peace will not require witnesses to the ceremony. Some religions do require witnesses, so contact the person performing the ceremony to see if witnesses are necessary.

Out of State clergy may perform the ceremony in Massachusetts if an authorization has been obtained prior to the ceremony from the Secretary of State's Office (McCormack Building, Public Records Division, Department of the State Secretary, One Ashburton Place, Room 1701, Boston, 617-727-2836). The marriage license will not be registered unless the original copy of the required authorization is enclosed with the license.

The person who performs the ceremony must complete and sign the license in black ink only, and return it to the city or town where it was issued. That city or town is the only place where the license will be registered. The license must be returned or the marriage will not be registered.

If you have been divorced you do not have to bring any divorce papers when you apply, but your divorce must be final at the time of the application.
