### What Eligibility Restrictions Apply?

- Unrelated household members must provide documentation of having a history of living together at the time of an income certification;
- No households of convenience;
- Minimum and maximum gross annual income limits;
- Maximum asset limits; AND
- Both heads of households may not be full-time students (student status must be verified directly by institution).

## What is a Household?

A "household" includes all persons who will be residing in the apartment you are applying for. A household includes children, teenagers and adults, *regardless of their ability to earn or receive income*. Applicants may not submit multiple applications as a member of multiple household compositions. An unborn child is considered a household member if the mother is in her third (3<sup>rd</sup>) trimester of pregnancy at the time of the 2PM Monday, July 8<sup>th</sup>, 2019 lottery deadline.

Legally married couples shall both be considered part of the household, even if separated. In the event of divorce, a divorce decree must be provided at the time of the income certification, otherwise the ex-spouse will be considered part of the household and their income and assets will be counted in determining income eligibility, even if they do not plan on residing there. Minors are also considered household members if they live with the applicant at least 51% of the time or 183 days in a year. Adults who are away for college as full-time students are also considered household members.

**Verification from a treating physician of being in the third (3<sup>rd</sup>) trimester, verification of full-time student status, custody arrangements or divorce decrees will be required at the time of income certifying.**

## What are the Income Eligibility Requirements?

In order to be income-eligible to rent these units, a household's gross annual income must be within the guidelines listed below in the Household Gross Annual Income Range table, adjusted by household size. A minimum income eligibility requirement of \$24,264 has been established to ensure households can afford housing expenses (rent and utilities). This minimum income requirement is waived for households receiving rental subsidies through programs such as Section 8, VASH, MRVP etc. and providing **current verification of rental voucher assistance must be provided with your pre-lottery application.**

Household Gross Annual Income Range Requirements	
Household Size*	Tier 1 (50% AMI) Household Gross Annual Income Range Requirement* <i>Adjusted by Household Size</i>
1	\$24,264 - \$37,750
2	\$24,264 - \$43,150
3	\$24,264 - \$48,550

\*The combined annual income from **all** sources and all income-earning members of the household must not exceed the **Tier 1 income limit (50% AMI)** for the appropriate household size, as indicated above.

## What is Considered Income?

Income is defined as all income amounts, monetary or not, that go to or are received on behalf of any household member, even if the family member is temporally absent. Income also includes **all amounts anticipated within the next 12 months** going forward from the time of an income certification. It is the applicant's responsibility to accurately divulge anticipated changes to income. Income includes interest accrued from assets to which any household member has access.

*Examples of income include but are not limited to earnings from a job or self-employment including earnings from one-time events/gigs such as earnings from yard sales & selling art, child care; Fundraising Campaigns (Go Fund me, Crowd Source, etc.); Unemployment Benefits; Pensions/Social Security/Disability Benefits; Child Support (received or owed); Assistance from family/friends; Starting or closing of businesses.*

*Examples of anticipated changes include but are not limited to seasonal work, changes in work hours, raises, bonuses, overtime pay, cost of living adjustments (COLAS), commissions, gain or loss of employment or income source, gain or loss of clients.*

*For self-employed household members:* Self-employed household members (ride-share drivers, artists/musicians, business owners, etc.) must complete Profit/Loss Statements for each business at the time of an income certification. The Profit/Loss Statement must indicate month-by-month self-employment revenue and deducted business expenses for a 12 month period preceding the time of the income certification **AND** a Profit/Loss Statement for the 12 months following the date of the income certification showing month-by-month *anticipated* business revenue and deducted business expenses. For each claimed deductible business expense, back-up verification is required (contracts, receipts, payment verifications, paid invoices, etc.). Verifications must match the monthly deductions listed in the Profit/Loss Statements. The household member must explain or show how they arrived at their monthly deductions in writing.

## What is the Asset Limit?

The maximum asset limit is set at \$250,000 in liquid assets, excluding restricted retirement, health and college savings plans. This asset limit applies to all household members and includes all assets or joint interests in assets held in the United States or abroad. **All assets for all household members must be disclosed in the pre-lottery application** and the most recent three (3) months of **complete statements for all accounts** must be provided at the time of an income certification.

*Examples of assets include but are not limited to:* Saving/checking accounts; CDs; mutual funds; investment accounts; IRAs; 401Ks; bonds; digital currency (Bitcoin, etc.); payment apps (Venmo/Paypal, Square etc.); life insurance; fundraising campaign platforms (Go Fund Me etc.), cash on hand etc.

**Failure to disclose all current or anticipated income and assets may result in a determination of ineligibility at the time of the income certification.**

## Can I Apply if I Own a Home?

Applicants who currently own homes are not eligible for an income-restricted unit unless they meet one of the following exceptions. Only households who meet one of the following exceptions may be entered into the lottery, but they will not be allowed to still own the home and move into an income-restricted unit. Exceptions for current homeownership can only be made in the following instances:

1. A displaced homemaker: A displaced homemaker is an individual who is an adult who meets ALL the following criteria:
  - Has not worked full-time full year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family;
  - Owned a home with his or her partner or resided in a home owned by the partner;
  - Does not own a home with his or her partner or resided in a home owned by the partner;
  - Does not own the home previously owned with a partner; AND
  - Is unmarried to or legally separated from the house.
2. A single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (us unmarried or legally separated from a spouse and either has 1 or more children of whom they have custody or joint custody, or is pregnant).
3. An age-qualified household (in which at least one member is age 55 or over) which is selling a home in order to rent an income-restricted unit.
4. A household that owned a property that was not in compliance with State, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure;
5. A household that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations.

## What Is The Significance of a Preference?

If you are eligible for a preference and provide current and complete verification of it with a complete application, you will have a greater chance of being selected no. 1 for a unit in the lottery or be closer to the top of the lottery wait-list for a unit. If you are not eligible for a preference, the Housing Division cannot determine what your odds of moving into a unit are as the ratio of applicants applying with a preference is only known after the deadline. If you are not eligible for a preference, you can apply and will be placed on the wait list. In the future, you may have the opportunity to income certify for a unit.

You may also want to explore income-restricted housing opportunities in the City which you currently live or work to see if they may offer preferences within their programs to increase your odds in acquiring an affordable unit.

## How Do I Qualify for a Preference for 38 Day Street?

Households who either currently reside or required to physically work full-time (32 hours or more) in the City of Somerville may receive a preference.

**To receive a residency preference**, a household member must provide one (1) of the following: a current, complete utility bill with a "Statement Date" (not bill due date) within the last thirty (30) days of the submitted, complete application; current voter registration; a current credit card or bank statement dated within 30 days of the complete, submitted application; a current copy of a lease where the applicant is specifically identified.

**To receive a work preference**, applicants physically working full-time within the City of Somerville must provide a paystub dated within the last thirty (30) days of the completed application submission date **OR** a letter of employment signed by the Human Resources Director with contact information, dated within the last thirty (30) days if the completed, submitted application. The letter must state the applicant works 32 hours or more at a business located within the City.

Ownership of a business in Somerville *does not* mean that you work there. Business owners must provide verification of ownership, a current bill connecting the owner's name with the address of the Somerville business **AND** either current paystub showing the number of hours worked **OR** a signed, notarized affidavit confirming the number of hours you work at the Somerville business.

## How Do I Qualify for a Preference for 1119-1133 Broadway?

The highest preference is for current tenants in this building who may apply. These potential applicants would receive preferences due to the substantial rehabilitation work that occurred at 1119-1133 Broadway.

The second preference will be for households who live or work full-time in Somerville (see above).

This household must submit the income documentation listed below, including Federal Tax Returns as well as income and asset documentation to the Housing Division. **The Housing Division reserves the right to request additional income and asset documentation as may be necessary to complete the income certification.**

Household no. 2 will be notified if the household No. 1 is determined ineligible or unable to lease-up. They will have five (5) business days from notification to submit initial income documents to the Housing Division.

Households are recommended to set these documents aside to facilitate submission to the Housing Division after the lottery.

## What Does an Income Certification Require?

*Income documents include but are not limited to:*

1. 2018 Federal Tax Returns, all pages and schedules, including W2s and any 1099s. If your Federal Tax Return includes W2s from employer(s) you are no longer working for, termination of employment must be verified directly from the former employer. This letter must be on company letterhead, signed, dated, state your last date of employment, whether there are any pending payments and their intent to rehire you within the next 12 months. **Do not provide State Tax Returns.**
2. Most recent three (3), consecutive months of paystubs and/or other income documentation (child support, pensions, Social Security benefits etc.);
3. Employer Verification forms signed by the employee(s) with the employer's contact information (the form will be sent directly by the City to employers);
4. Most recent three (3), consecutive months of all asset statements for all household members including but not limited to all account types listed in the Asset Section of this Info. Packet.
5. No Income Statements for any adults in the household who do not receive any income, signed by both the adult not receiving income and the head of household. The Housing Division will provide you with this Statement;
6. Verification of student status directly from learning institutions for household members who are 18+ and full or part-time students;
7. Other documents may also be requested by the City at the time of the income certification.

Please note, if deposits into bank or asset statements are unclear (such as cash deposits, transfers into account from persons outside of the household) the household member is required to explain the source and nature of each unexplained deposit and provide back-up verification of each unexplained deposit (receipts, statements from sources, copies of paid invoices, credit card statements etc.). Please review and familiarize yourself with unspecified or cash deposits. The Housing Division will provide you with an Explanation of Deposits Form after reviewing your asset statements.

**DO NOT SUBMIT INCOME & ASSET DOCUMENTATION WITH YOUR PRE-LOTTERY APPLICATION.** Income assets and tax returns are only required if a household is selected in the lottery.

## **What is the Inclusionary Housing Appeals Policy for Pre-Lottery Applications & Eligibility Determinations?**

Pre-lottery determination of eligibility by OSPCD's Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit's stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of "Annual Income" which anticipates gross income, including income from assets, over the next 12 months. Staff annualize what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in. It is the applicant's responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant's eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.

Post lottery/income certification determination: A household deemed ineligible upon the completion of the income certification process has the right to appeal the income<sup>1</sup> determination. To initiate the appeals process, the **applicant must send a written Appeal Request to the Director of the Housing Division within one week of receipt of the ineligibility determination.** A written request includes one sent by email. In this written request to the Director of the Housing Division, the household must identify in specific terms (for example, inclusion of an income source no longer received or assumptions made in the calculation) what about the determination is being appealed. If a household needs more time to identify in specific terms what about the determination is being appealed, the household must identify good cause for additional time, and still must send a notice of an intent to submit a written appeal request within one week of the receipt of the ineligibility determination.

While it is the responsibility of the household to provide the Housing Division with all of their current income documents and to disclose all reasonably anticipated income within the next 12 months upfront during the initial certification process, if there are other documents the household wishes to supply that are new, that provide clarifying information, or are unanticipated/unexpected, the household should state such in its written appeal, and either include the additional documents in the appeal request, or provide a timeline within which such documents can be provided. It is within the discretion of the Housing Director whether to accept/wait for additional documents; however, the documents should be provided without any unreasonable

<sup>1</sup> / The City has adopted the Part 5 definition of "Annual Income" under 24 CFR 5.609 for the Inclusionary Zoning Program.

delay, with time being of the essence. The Housing Division Director will consider the appeal request and any new information or documentation provided and make a determination.

The household will be notified in writing by the Housing Director regarding the outcome of the appeals determination, including the reasons and supporting facts and documents relied upon. Such determination shall be made within 10 business days of receipt of complete appeal documents, and if such determination cannot be made within 10 business days, the Housing Director will provide a reason why additional time is needed, along with an estimate as to how much additional time is needed.

While an appeal is pending, the Housing Division may proceed with income certifications of the next person(s) on the wait list but not to the point where the appealing applicant would be denied the opportunity to rent or purchase the subject unit (if the appeal were to be decided in his/her favor).

The following agencies may be able to provide (free) assistance with the applicant's appeal:

A copy of this appeal process, including the name, mailing address, and email address of the Director of the Housing Division, shall be provided to the applicant with the OSPCD's Housing Division's written communication of its initial denial of income eligibility.

## **Proceed Letter**

When a household is found income eligible, the Housing Division will issue a Proceed Letter outlining next steps. Once certified and after having received a Proceed Letter, the household will contact the property management which will then conduct their own credit and background screening. If approved by the property management, the lease and lease rider will be signed and property management will work with you to determine a move-in date. The Proceed Letter will provide further information regarding agencies that may to provide start-up costs assistance (security deposits, first and last month's rent, movers).

## What Restrictions Apply to These Units?

This opportunity to rent an affordable apartment at a significant discount is being offered through the City of Somerville's Inclusionary Housing Program. As an affordable unit, certain eligibility requirements and restrictions apply. You will sign a "Lease Rider" which describes the restrictions on the unit and your responsibilities. These restrictions will remain with the unit permanently and will apply to you and all subsequent renters. The following is an overview of the most important aspects of the Lease Rider and is meant for informational purposes only. If selected, you are strongly encouraged to seek legal advice and review the total document.

- **Principal Residence:** The unit must be used as your primary principal residence;
- **Student Status:** Both heads of households cannot be full-time students;
- **Income Eligibility:** Income certifications are good for one (1) year. Annual income re-certifications are required in order to continue to lease an affordable unit. You must remain income eligible in order to occupy one of the affordable rental units.
  - If your household occupies a 50% Area Median Income unit, your household can increase its income up to 140% of 50% of Area Median Income. If your household income increases to 50% of Area Median Income and you wish to remain in the affordable unit, the rent will increase to HUD's High Home Rent.
- **Renting:** Households may not sublet, rent out or AirBnB the affordable unit or space in a unit under any circumstance.

SECTION G: APPEALS

Pre-lottery determination of eligibility by OSPCD's Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit's stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of "Annual Income" which anticipates gross income, including income from assets, over the next 12 months. Staff annualize what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in.

It is the applicant's responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant's eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.
