Application is hereby made by

Company Name: _____

Company Phone#: _____

Company Email: _____

Company Address: _____

Please indicate purpose for which permit is requested:

Sprinkler Installation

Sprinkler Modification

Scope of Work: _____

Permitted Property Address: _____

Property Owner Name: _____

Property Owner Telephone: _____

Competent Technician or Installer: _____

License/Cert. # : _____ Phone#: _____

Sprinkler installation or modification permits require plans depicting where all devices will be located and must be emailed along with this application for permitting. Additionally, Sprinkler plans must be stamped by the hydraulic engineer who designed the plans.

*All permits and plans must be submitted by email to fireprevention@somervillema.gov. Check or money order for \$150 for each permit can be made payable to City of Somerville - mailed to, or dropped off in the black mailbox at our office at Fire Prevention, 1 Franey Rd., Somerville, MA 02145. **We cannot accept cash, credit card, or electronic transfer.***

This permit covers one inspection. If for any reason more than one inspection is necessary, an additional fee of \$50.00 may be charged for each additional re-inspection.

All three family/three unit sprinkler plans must have a 2 ½ inch FDC located at the front of the building. All four family/four units and above must have a 4 inch Storz FDC connection located at the front of the building.
