Community Meeting 3

**Where: Please join us at the Visiting Nurses Association
Building, third floor community room, at 259 Lowell Street**
When: Thursday, September 29, 2016 6:00 – 8:00pm

Dear friends and neighbors,
We have developed a new playground design based upon the ideas community members
have expressed. Please join us next Thursday evening to review our plans and help us
with some final decisions. We want to be sure the new design reflects the needs of the
community and the neighborhood.
