City of Somerville  
Somerville MA

RE: 50 Oliver Street

To whom it may concern;

The expansion of units A and D to the basement level at 50 Oliver Street will fully comply with all accessible building codes, state accessibility codes, and federal regulations that pertain to this specific portion of the interior renovation. No exterior work is planned for this project.

If you have any questions or if we can be of further assistance please do not hesitate to give us a call.
