Additionally, a notarized affidavit must be provided at the time of the submitted application stating that the household member and their spouse reside at different addresses. In the event of divorce, a divorce decree must be provided at the time of the income certification, otherwise the ex-spouse will be considered part of the household and their income and assets will be counted in determining income eligibility, even if they do not plan on residing there.

**Verification from a treating physician of being in the third (3rd) trimester, verification of full-time student status, custody arrangements or divorce decrees will be required at the time of income certification**

**What is Considered Income?**

Income is defined as all amounts, monetary or not, that goes to or is received on behalf of any household member, even if the family member is temporally absent. Income also includes all amounts anticipated within the next 12 months going forward from the time of an income certification. It is the applicant’s responsibility to accurately divulge anticipated changes in income. Income includes interest/dividends accrued from assets to which any household member has access.

*Examples of income include but are not limited to earnings from a job or self-employment including earnings from one-time events/gigs such as earnings from yard sales & art sales, child care; fundraising campaigns (Go Fund me, Crowd Source, etc.); Unemployment Benefits; Pensions/Social Security/Disability Benefits; informal or formal Child Support (received or owed); Assistance from family/friends; Starting or closing of businesses.*

*Examples of anticipated changes include but are not limited to seasonal work, changes in work hours, raises, bonuses, overtime pay, cost of living adjustments (COLAS), commissions, gain or loss of employment or income source, gain or loss of clients.*

*For self-employed household members: Self-employed household members (ride-share drivers, artists/musicians, business owners, etc.) must complete Profit/Loss Statements for each business at the time*
of an income certification. The Profit/Loss Statement must indicate month-by-month self-employment revenue and IRS allowable deducted business expenses for a 12 month period preceding the time of the income certification AND a Profit/Loss Statement for the 12 months following the date of the income certification showing month-by-month anticipated business revenue and IRS allowable deducted business expenses. For each claimed deductible business expense, back-up verification is required (contracts, receipts, payment verifications, paid invoices, etc.). Verifications must match the monthly deductions listed in the Profit/Loss Statements. The household member must explain or show how they arrived at their monthly deductions in writing.

**What is the Asset Limit?**
The maximum asset limit is set at $250,000 in liquid assets, excluding restricted retirement, health and college savings plans. This asset limit applies to all household members and includes all assets or joint interests in assets held in the United States or abroad. All assets for all household members must be disclosed in the pre-lottery application and the most recent three (3) months of complete statements for all accounts must be provided at the time of an income certification. Assets which the applicant(s) hold and may not use or have access to are still considered assets and statements must be provided. In cases where an asset was recently closed, verification must be provided. Applicants must disclose all joint accounts held with absent spouse/household members in the application.

Examples of assets include but are not limited to: Saving/checking accounts; CDs; mutual funds; investment accounts; IRAs; 401Ks; 457B; 403Bs; bonds; digital currency (Bitcoin, etc.); payment apps (Venmo/Paypal, Square etc.); life insurance; community funds; fundraising campaign platforms (Go Fund Me etc.), cash on hand, real estate, any investments held abroad etc.

What is a Lottery Preference & How Can I Qualify?
If you are eligible for a preference and provide current and complete verification of it with a complete application, you will have a greater chance of being selected no. 1 for a unit through the lottery or be closer to the top of the lottery wait-list for a unit. If you are not eligible for a preference, the Housing Division cannot determine your odds of acquiring a unit. If you are not eligible for a preference, you may apply and will be placed on the lottery wait-list. You should explore income-restricted housing opportunities in the City in which you live or work to learn if they offer local preferences within their respective programs. This may increase the odds of acquiring an affordable unit.

Unit A has a first preference for eligible applicants who were former residents of 20 Rush Street and were displaced due to a fire there. A second preference will be provided to eligible applicants providing verification of currently living or physically working full-time in Somerville (32+ hours/week). Preference documentation must be dated within 30 days of the date the complete application is submitted. Attach verification with the application. Below includes acceptable documentation to receive a Somerville preference.

Proof of residency may include:
- Current signed lease; OR
- Notarized letter from landlord confirming ownership of property and applicant tenancy at property; OR
- Utility bill with current statement date. Do not use the bill due date; OR
- Bank/credit card/cable bill statement with Somerville address with a current statement date; OR
- Current voter registration, showing registration date within the last 30 days.

Proof of employment in Somerville may include:
- Signed and dated letter from employer on company letter head that includes the Somerville address where you work AND the number of hours you work per week in Somerville; OR
- A current paystub showing the Somerville address of where you work AND the number of hours you work per pay period.
- Ownership of a business does not mean you work there. Business owners must provide verification of ownership, a current bill connecting the owner’s name with the address of the Somerville business AND a current paystub showing the number of hours worked OR if paystubs are not available, a notarized affidavit confirming the number of hours worked per week at the Somerville business.

Somerville work preferences may not be granted for households providing co-working spaces as verification of employment in Somerville.

PREFERENCE VERIFICATIONS MUST BE COMPLETE AND INCLUDE ALL PAGES

This request will outline specific items needed to determine eligibility. The household will have five (5) business days from this notification date to submit the requested documentation. The Housing Division will provide applicants with three (3) such requests thereafter. The Housing Division reserves the right to discontinue the income certification and offer this opportunity for the next household on the lottery waitlist.

Household no. 2 will be notified if household no. 1 is determined ineligible or unable to close. City of Somerville’s Inclusionary Housing Program
Description of Affordable Housing Restriction
This opportunity to purchase an affordable unit at a significant discount is being offered through the Somerville’s Inclusionary Housing Program. This requires, among other things, that the unit remain affordable for future buyers. If you are selected to purchase this unit, you will sign a “Deed Rider” which describes the restrictions on the unit and your responsibilities. These restrictions will remain with the unit permanently and will apply to you and all subsequent owners. The following is an overview of the most important aspects of the Deed Rider and is meant for informational purposes only. If selected, you are strongly encouraged to seek legal advice and review the total document.

- **Principal Residence**: The unit must be used as your primary principal residence and may not be used as a sublet, used as an Airbnb or rented out under any circumstance etc.
- **Leasing and Refinancing**: Express written consent must be obtained from the City of Somerville OSPCD, Housing Division prior to refinancing your loan.
- **Notice to the City of Somerville when selling your home/unit**: When you want to sell your home, you must contact the City of Somerville, OSPCD Housing Division. You must submit a written intent to sell. OSPCD will calculate the Maximum Affordable Sale Price. At this time, Division practice permits the owner to elect to market the unit independently after the City sets the maximum price and reviews and approved marketing material, or owners may request the City’s assistance in locating a buyer. In all cases, the buyer must meet income and asset criteria and the City must certify their income and must also be first time homebuyers.
- **The City conducts annual monitoring**, and compliance with the monitoring is mandatory.
- **Improvements are not included in the resale calculations**: if you are thinking of doing an improvement, you must contact OSPCD’s Housing Division first.
- **You can hope for a small modest increase** in the resale price, however, you will not receive an increase like you will see on the open market. The price does not increase a set percentage every year. Upon resale, the units must remain affordable to another income eligible first time homebuyer.

A deed- restricted unit cannot be resold without the City’s Certificate of Compliance, verifying all requirements were met.

What is the Inclusionary Housing Appeals Policy for Pre-Lottery Applications & Eligibility Determinations?
Pre-lottery determination of eligibility by OSPCD’s Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit’s stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of “Annual Income” which anticipates gross income, including income from assets, over the next 12 months. Staff annualize what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in. It is the applicant’s responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant’s eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make
the correction by providing an updated application with the changes initialed and dated. Households that submit an application within 5 days of the deadline will not have the ability to correct the error/discrepancy and will not be prompted by the City via email or letter.

Post lottery/income certification determination: A household deemed ineligible upon the completion of the income certification process has the right to appeal the income\(^1\) determination. To initiate the appeals process, the **applicant must send a written Appeal Request to the Director of the Housing Division within one week of receipt of the ineligibility determination**. A written request includes one sent by email. In this written request to the Director of the Housing Division, the household must identify in specific terms (for example, inclusion of an income source no longer received or assumptions made in the calculation) what about the determination is being appealed. If a household needs more time to identify in specific terms what about the determination is being appealed, the household must identify good cause for additional time, and still must send a notice of intent to submit a written appeal request within one week of the receipt of the ineligibility determination.

While it is the responsibility of the household to provide the Housing Division with all of their current income documents and to disclose all reasonably anticipated income within the next 12 months upfront during the initial certification process, if there are other documents the household wishes to supply that are new, that provide clarifying information, or are unanticipated/unexpected, the household should state such in its written appeal, and either include the additional documents in the appeal request, or provide a timeline within which such documents can be provided. It is within the discretion of the Housing Director whether to accept/wait for additional documents; however, the documents should be provided without any unreasonable delay, with time being of the essence. The Housing Division Director will consider the appeal request and any new information or documentation provided and make a determination.

The household will be notified in writing by the Housing Director regarding the outcome of the appeals determination, including the reasons and supporting facts and documents relied upon. Such determination shall be made within 10 business days of receipt of complete appeal documents, and if such determination cannot be made within 10 business days, the Housing Director will provide a reason why additional time is needed, along with an estimate as to how much additional time is needed.

While an appeal is pending, the Housing Division may proceed with income certifications of the next person(s) on the wait list but not to the point where the appealing applicant would be denied the opportunity to rent or purchase the subject unit (if the appeal were to be decided in his/her favor). The following agencies may be able to provide (free) assistance with the applicant’s appeal:

- **Cambridge and Somerville Legal Services**  
  60 Gore Street, Suite 203, Cambridge, MA 02141 / (617) 603-2700

- **Community Action Agency of Somerville**

- **City of Somerville Office of Housing Stability, Director Ellen Shachter**  
  50 Evergreen Avenue, 1st floor, Somerville MA 02145 / 617-625-6600 x2580

SECTION F: APPEALS

Pre-lottery determination of eligibility by OSPCD’s Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit’s stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of “Annual Income” which anticipates gross income, including income from assets, over the next 12 months. Staff annualizes what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in.

It is the applicant’s responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant’s eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.
