Re: Revise Scope of Services; Clarify Proposal Format

Addendum No. 1 to RFQ 19-40

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.

This addendum serves to **remove Task 2.2.5 Engineering Analysis from the Scope of Work**. All references included within Task 2.2.5 are to be ignored.

Proposals, both original and duplicate, may be bound in comb binding, binder clips, or other unobtrusive binding. Once proposals are received, they are primarily evaluated digitally and the originals are stored in the procurement file so the simpler the binding the better.

The deadline to submit proposals remains unchanged. Sealed proposals are to be submitted by **12:00pm on Wednesday November 21st**.
