**ACKNOWLEDGEMENT OF ADDENDA:**

**Addendum #1** \_\_\_\_\_ **#2** \_\_\_\_\_ **#3** \_\_\_\_\_ **#4** \_\_\_\_\_

## Addendum No. 2 to IFB 18-49

Q. 1.) On drawing E1 there are a couple of references made to drawing E3 but the plan set contains no drawing E3. Will drawing E3 be issued prior to the bid?

A. There is no Sheet E3. All details and notes for Electrical work have been included on Sheets E1: Site Lighting Plan, and E2: Electrical Details, Notes & Schedules, as well as in Specifications Section 26 00 00 – ELECTRICAL, and Section 26 06 00 – SCHEDULE FOR SITE LIGHTING. Any references to information included on Sheet E3 are covered on Sheet E3, or elsewhere in the Bid Document.

Q. The Luminaire Schedule on drawing E2 lists a quantity of one “SF” light fixture. We do not find the location of the SF light fixture on the E1 Site Plan. Please advise.

A. The “SF” fixture can be seen on Sheet E1, it is located on a pole with a “S3” fixture directly to the west of the “Stone Shed”. This is a spot light fixture to illuminate the back of the shed.

Q. Keynote 6 on drawing E1 lists a PEDOC receptacle post but we cannot find the post on the site plan. Please advise of its location and the quantity to include in our bid.

A. Keynote 3 refers to the PEDOC receptacle post. Exact location to be determined in the field by the Owner, but the intent is to locate it to the north side of the Tower near the semi-circular space where weddings and events will be held.
