Q. HVAC General Notes #20 on drawing H1-0 refers to Captiveaire DWG #3328913 we could not find this dwg in the package. Can you please provide.

A. The Captiveair number is a reference to the "basis of design". The potential bidders can contact them for further information but are free to explore any vendor for the hood scope as long as specifications are met.

Additional Clarifications

Existing Chase

The City will coordinate with the landlord to provide a rated chase prior to commencement of construction.
