Bike Path Retaining Wall and Drainage Upgrades

From: Michael Richards, Assistant Purchasing Director

Date: August 28th, 2017

Re: Replace Itemized Bid Form

Addendum No. 6 to IFB 17-73

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.

This addendum appends a revised itemized bid form to reflect changes to the specifications noted in previous addenda. Please use the attached bid form in lieu of that included in the original bid package.

The deadline for bid submission remains unchanged. Sealed bids must be submitted by **11:00am Thursday August 31st**.

ADDENDUM NO. 6

CITY OF SOMERVILLE BIKE PATH DRAINAGE AND RETAINING WALL UPGRADES

AUGUST 28, 2017

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the Contract Documents. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in and form a part of the proposed Contract Documents for the work.

The date and time of the bid opening has not changed, and will be held Thursday, August 31, 2017 at 11:00 a.m.

Inclusion of this Addendum must be acknowledged by signing the City of Somerville addendum 6 and including this form in your proposal package. Failure to acknowledge any and all addenda in the above specified bid forms may be cause for rejection of a bid by the Owner on the grounds that it is not responsive.

This Addendum consists of ten (10) pages including attachments.

SPECIFICATIONS

1. IFB #17-73, **DELETE** pages 52 through 59, and **REPLACE** them in their entirety with the attached bid form. This revised bid form includes the one new bid item added in Addendum 4, which is Item 1390.1, Pre-Construction and Post-Construction Surveys. There are no other changes to the bid form.
2. Specification 02051 Part 4 Item 2051.4 – MBTA Slurry Wall Modification and Restoration, **DELETE** Basis of Payment/Inclusions and **REPLACE** in its entirety with the following revised Basis of Payment to incorporate the revised MBTA License conditions added in Addendum 4:

“BASIS OF PAYMENT/INCLUSIONS:

Under the Lump Sum Price bid for this item, the Contractor shall furnish all labor, materials, tools, equipment, and incidentals required for the complete selective removal and restoration of the MBTA Slurry Wall, or as directed by the Owner or Engineer. This work shall include furnishing, installing, and/or performing the following: sawcutting into the existing slurry wall; removing concrete, preparation of the wall; installing waterproofing membrane; sand backfill; notification and coordination with the MBTA inspector on site, serving as licensee of the MBTA License, executing the license and adhering to all conditions and requirements contained in the license for this work. Certain license conditions are noted in Addendum 4 Item 7.”

(Amount in words)

ALTERNATE BID ITEM

The Alternate Bid Item consists of rehabilitation of an existing retaining wall along the Somerville Community Path, Sta. 100+00 to Sta. 105+69.

The Contractor shall choose and price one (1) of the two (2) methods (either A-1 or A-2) for rehabilitation of the existing retaining wall. Contractor shall not price both options. If Contractor prices (bids on) both options the lower total will be used for comparison of total bids. Failure to provide a cost for the Alternate Bid Item will be basis for rejection of the bid.

Award of the Contract will be made on the basis of the lowest responsible bidder for the Total Bid, including Total Amount of Base Bid plus Total Amount of the Alternate chosen.

Alternate A-1 – Cast-In-Place Retaining Wall Rehabilitation

Item No.	Description	Estimated Quantity	Extended Total
3301.1	Retaining Wall Rehabilitation – Cast in Place	1	\$
	_____ Dollars (\$)) Lump Sum		

Alternate A-2 – Shotcrete Retaining Wall Rehabilitation

Item No.	Description	Estimated Quantity	Extended Total
3302.1	Retaining Wall Rehabilitation – Shotcrete	1	\$
	_____ Dollars (\$)) Lump Sum		

Total Amount of Alternate _____ (fill in chosen alternate):

\$ _____
(Amount in figures)

(Amount in words)

Total Amount of Bid: equals total amount of Base Bid plus total amount of chosen Alternate.
