

City of Somerville
Office of Strategic Planning
& Community Development

**Mayor Joseph A. Curtatone,
Ward 6 Councilor Lance Davis, &
Ward 7 Councilor Katjana Ballantyne**
invite you to attend a community meeting about

Holland Street & College Avenue Mobility Improvements

Monday, February 24, 2020

6:30 pm - 8:00 pm

in the Atrium Room at the Tufts
Administration Building — 169 Holland St

This year, the City is resurfacing the roadways and sidewalks of Holland Street from Davis Square to Teele Square, and of College Avenue, from Davis Square to Power House Circle.

At this meeting, staff will introduce the purpose and scope of this project, provide existing conditions data, and present concepts for improvements to support sustainable, multi-modal transportation and improve traffic safety.

Staff will take input from community members about the conceptual designs and locations to prioritize for different types of improvements.

**For more information, contact us at:
transportation@somervillema.gov**

If you require ADA accommodations or interpretation,
please call in advance at 617-725-6600 x2323
