**FY21 CPA Comments Summary**

<b>Submission Date</b>	<b>Affordable Housing's biggest challenges</b>	<b>Open Space and Recreation's biggest challenges</b>	<b>Historic Resources' biggest challenges a</b>	<b>Affordable Housing priorities</b>	<b>Open Space and Recreation priorities</b>	<b>Is there anything else you'd like to share with the Community Preservation Committee?</b>
2020-04-08 20:15:23	Having enough affordable housing for all the people who need it in order to remain in Somerville.	Finding space	Not sure	Making sure that affordable housing is constructed with climate justice in mind: passive housing (good insulation etc) to cut energy bills; 100% renewable energy to avoid costly renovations within a few years; and high quality, long-lasting construction to minimize repairs	Providing additional little pockets of green throughout the city and especially in East Somerville. Providing recreational areas for all ages.	
2020-04-15 15:14:47	The high cost of real estate in Somerville.	Maintaining and enhancing our recreation spaces.	Balancing the needs of many historic resources in our community that need preservation.	Expanding the stock of affordable housing in Somerville.	Maintaining and improving our recreation spaces.	I'm very glad this program exists.
2020-04-26 16:21:38	Use funds to renovate existing structures	OS needs not only to provide a place for	Use money to multiply funds for historic	Somerville's biggest challenges are my priorities.	Somerville's biggest challenges are my	The Somerville Museum and the

	to create affordable housing units	recreation, but, importantly, to preserve ecological habitat -- to sustain native flora and fauna. Emphasize connection between spaces (corridors), not isolated parcels.	preservation. Ensure that funds provide public access to historic sites. Make historic places and events part of the view and part of the culture.		priorities	Armory are excellent examples of historic buildings preserved for public uses in Somerville. Self-guided historic tours now available for walkers to follow in this Covid-19 period reflect good use of CPC monies. Renovation of the waterworks building along the Alewife River for senior citizens housing is wonderful use of CPC funds. More of the same, please!
