

City

- Food at our meetings/events if we go back to in person

Access - Physical Items

- Accessible playground equipment Y
- Accessible workout equipment inclusive of wheelchair users Y
- Magnifiers for the libraries Y
- Accessible sports equipment/modifications for sports fields Y
- Equipment to check ADA/MAAB compliance of the built environment - RSJ/Engineering?
- Disability related books for city and school libraries and community centers; both books about disability and books that happen to have disabled characters Y

Grant making

- Scholarships for disabled high school students Y
- Arts and culture accessibility; assist with funds for sign language interpreters, CART, Braille for community performances (ie Davis Sq Theater) to be more accessible (non-profit/high school/HONK/Somerville Open Studios)
- Business modifications via a community non-profit such as East Somerville Main Streets/Union Square Main Streets Y
- After school programming for kids with disabilities - targeted at kids with disabilities vs resources to make programs more accessible vs partnering with organizations who work with disabled students ?

Internal

- Staff support (maybe should come out of actual city budget)
- Printing
- Study on needs of community in terms of seating/shade/other access needs on sidewalks
- Hire a consultant to do an inventory of city infrastructure
- Increased parking enforcement through hiring more parking officers (NOT through SPD) and/or community ticket training program

Programming/Events

- Disability- focused art series; exhibit focused on disability, poetry or music performance ●
- ASL classes

Publicity

- Publication to inform people about their rights and about events
- Yard signs.
- Monthly press releases sufficiently in advance for radio and TV play
- Public service announcements through SCTV
- Better Web presence; more interactivity, access to documents, and to legal and

community resources

- Guides for accessible city resources - playgrounds, buildings, public restrooms, accessible restaurants

Training

- External trainings for SCPD Commissioners
- Educate general public on disability
- Train businesses on providing more accessible services
