

Traffic Commission Agenda
December 12, 2019

Where: TAB Building, 167 Holland St 2nd flr

When: Thursday December 12, 2019 at 5:30pm

Item #1 – Acceptance of Minutes from the November 14, 2019 Traffic Commission Meeting

Item #2 – Request to relocate an existing Loading Zone sign on Somerville Avenue (located in front of #222 Somerville Ave, Vinal Bakery) approximately 20' east, and installing a “No Parking” sign in the existing LZ location.

Item #3 – Request to install “No Parking 6AM-4PM; Permit Parking Overnight” signs on Somerville Avenue from #200-#220 to accommodate upcoming box culvert work. Due to the size of the contractor’s work zones, only one-way westbound traffic will be allowed between Target and Merriam Street. During daytime working hours, one of two available travel lanes is used by the contractor to haul excavated soil materials, which leaves only one usable lane. By installing these “No Parking” signs, it will allow for the existing parking lane to be used for two-way traffic during non-working hours.

Item #4 - The Administration requests that the Traffic Commission amend Article XV Section 15-2.1 Residential Permit Parking of the Traffic Regulations to reflect updated conditions for obtaining residential parking permits.

Prior Business

Item #5 – Review of the Handicapped Parking space at 15 Russell Rd
