Addendum No. 3 to IFB#19-76

2.3 Minimum Quality Requirements

Quality requirements, or basic business requirements, are the minimum set of standards that an entity must meet and certify to be considered responsible and responsive. **Please complete the Quality Requirements form, below, and submit it with your completed bid.** The City of Somerville will disqualify any response that does not meet the minimum quality requirements. A "No" response to items 1 through 5 or a failure to respond to any of the following minimum standards, will result in disqualification of your bid.

QUALITY REQUIREMENTS		YES	NO
1.	Has the contractor been established in the sewer rehabilitation field for at least 5 years?		
2.	The Contractor is able to provide all labor, materials and equipment necessary to perform the required street resurfacing, according to specifications?		
3.	The Contractor is fully qualified to perform the sewer main project as specified; and is able to provide qualified personnel that will consist of a full crew?		
4.	Can the Vendor certify that all employees to be provided have successfully completed at least 10 hours of OSHA approved training in Construction Safety and Health?		
5.	Can the Vendor certify that all vehicles to be used as part of this project will comply with the Vulnerable Road User Ordinance?		
6.	Optional: Are you a Mass. Supplier Diversity Office MBE/WBE certified minority or woman owned business? Additional minority designations may be submitted by attaching supporting documentation.		

In order to provide verification of affirmative responses to items 1 through 5 under the quality requirements listed in the Quality Requirements Form, Offeror must submit written information that details the general background, experience, and qualifications of the organization. Subcontractors, if applicable, must be also included.
