Lead Water Service Replacement Program – Phase 1

MEMORANDUM

TO: Jess Fosbrook, City of Somerville
Haleemah Qureshi, City of Somerville

FROM: Richard Quateman, LSP, CHMM
Madeline Soule

DATE : January 3, 2020

SUBJECT: Addendum to Record Review Findings, Somerville MA Lead Water
Service Replacement

CC: Michael Cunningham, PE

This memorandum serves to update the initial Record Review Findings memo for Somerville MA Lead Water Service Replacement, dated April 3, 2018. Review of information available from Massachusetts Department of Environmental Protection (MassDEP) regarding Massachusetts Contingency Plan (MCP) Sites in the vicinity of planned work areas for the replacement of lead water service lines was performed, to review whether additional sites have been identified since the finalization of the April 2018 memo.

MassDEP MCP sites with Notification dates occurring in 2018 and 2019 were reviewed and compared to the list of sites which have been confirmed for planned water service line replacement, as of January 3, 2019. Based upon available information reviewed from MassDEP's Searchable Sites Listing, no additional MCP Sites considered likely to impact the confirmed water service line replacement properties, beyond those identified during within the April 2018 memo, were identified.

Addendum No. 2 to IFB 20-42

2. DRAWINGS update
