Question	Answer
<p>1. IFB Section 1.5 General Terms indicates that the General Contractor is responsible to pay for all necessary police details. However, Section 01575 – Traffic Management, 3.08A states that the police agency and Owner shall determine the extent of Police Details required during the project. Since the number of police details is not under the sole control of the Contractor, we request that an allowance item, or base number of hours to carry, be provided for bidding purposes.</p>	<p>Regarding Section 1.5 General Terms, Police Detail, the following changes apply:</p> <p>REMOVE <i>Unless otherwise noted in the specifications, the Contractor will be responsible for requesting and paying for all necessary police details. These costs should be incorporated into the base bid amount. If use of the public way is required for staging, parking or deliveries, the Contractor is responsible for obtaining a Street Occupancy Permit, including a Traffic Management Plan (TMP) and for the cost of all police details.</i></p> <p>ADD Contractor will be responsible for requesting police details. The City will be responsible for paying for police details. Bidders are instructed to NOT carry the cost of police details in their bid submission. If use of the public way is required for staging, parking or deliveries, the Contractor is responsible for obtaining a Street Occupancy Permit, including a Traffic Management Plan (TMP) and for the cost of all police details.</p>
<p>2. Please confirm that this project is not subject to any domestic/Buy America provisions.</p>	<p>It is not.</p>
<p>3. IFB Section 1.5 states, “The Contractor is responsible for obtaining EVERSOURCE work orders and for all costs and fees associated with EVERSOURCE.” Has Eversource been notified of this project? If so, can you provide contact information?</p>	<p>There are no expected work orders for Eversource needed to support this project. The project team has not contacted them.</p>
