

Dear Director Capers, Esq.,

The Somerville Commission for Persons with Disabilities request that Jennifer Civitella Hilario and Henry Edward Hardy be put forth to Mayor Joseph Curtatone to be considered for appointment to the Commission. Both of these candidates have shown dedication, positive engagement with disability issues, and personal connection to the Commission's goals. Current commissioners believe they would be valuable additions and would help the Commission move forward. Please find enclosed materials related to this request.

Thank you for your consideration,

Bonnie Denis

Chair, Somerville Commission for Persons with Disabilities
