Re: Invitation for Bids 18-50: Fence Repairs and Installation

---

The City of Somerville (the City) is rejecting all bids received in response to IFB 18-50 – Fence Repair and Installation. Upon tabulation of the bids based on estimated quantities furnished in the bid package, all possible contract amounts would exceed the City’s budget by at least 200 percent.

Pursuant to M.G.L. c 30, 39M(a) and the IFB #18-50, under Section 1.5 General Terms - Right to Cancel / Reject all bids: “The City of Somerville may cancel this solicitation, or reject in whole or in part any and all bids, if the City determines that cancellation or rejection serves the best interests of the City.”

The Office of the Inspector General’s manual “Designing and Constructing Public Facilities” (November 2016, chapter V., p. 75) also states that “[a]n awarding authority has the right to reject all general bids under limited circumstances, such as when all bids are significantly higher than the awarding authority’s budget.”

The City has determined that it is in its best interest to reject all the bids received and rebid the project with revised estimated quantities.

The re-bid of this contract will be released on May 9th, 2018 and bids will be due on May 23rd, 2018 1:00PM. All interested and qualified contractors are encouraged to submit a bid. The bid package will be advertised in the Central Register and posted on the City of Somerville’s Purchasing web page at <https://www.somervillema.gov/departments/finance/purchasing>.
