

To whom it may concern,

My name is Daniel Haggerty and this is a letter of intent regarding the purchase of a liquor license for the city of Somerville MA by myself from Brian Manning. I am the owner of a catering company and co-owner of a restaurant based in NH. We are currently looking to expand and will need this license to do so in the city of Somerville.

Currently we are looking for properties that fit our business model. It hasn't been easy as we've had a few prospects not fit the bill. However, we are optimistic that we will find the right location and are confident that the perfect location is out there for us.

I am in the process of obtaining an official purchase and sale agreement as my lawyer, who is NH based, thought it better to enlist the services of a MA based firm and has referred me to them. This process is already underway. I am hoping that this will provide a smooth transition of ownership of the license.

In addition, I am happy to help in any way to make this process as seamless as possible. I am excited and hopeful for this new opportunity and I thank you for your time on this matter.

Sincerely,

Daniel Haggerty
