Addendum No. 2 to RFQ#19-02

Q1. Which equipment are included in this contract?

Answer: This contract includes the repair and maintenance of compressor and refrigeration systems including compressor, dehumidifier, condenser and machines for both Veteran's and Founder's ice rink.

Q2. Does the pricing include hourly rates or flat rate for service and maintenance? If flat rate, then does it include service call?

Answer: The pricing must include annual flat rate / Lumpsum pricing which includes service calls – both routine and on-call emergency services.

Q3. Can you provide the image of the compressor system?

Answer: Please refer below images for the compressor system and model/serial number of the dehumidifier unit.
