

Virtual Community Meetings to Review the Draft of the City's Urban Forest Management Plan

Please join City Staff and the Urban Forestry Committee in one or both* of the following open meetings for public comment on the DRAFT version of the Urban Forestry Management Plan (UFMP) for the City of Somerville.

October 8th - Thursday - 6:00–8:00 p.m.

October 13th - Tuesday - 5:00–7:00 p.m.

**The two meetings cover the same topics; you do NOT need to attend both meetings.*

Background: The City of Somerville partnered with Davey Resource Group to develop a long-term plan for the growth, maintenance, and sustainability of our urban forest. The draft includes details on the current status of our urban forest as well as discussion and recommendations for planting and maintaining trees in City public spaces. It also overviews personnel, budgetary, equipment, and space needs required for the City to improve its urban forest.

Questions and comments on the UFMP are encouraged during this meeting. It is strongly recommended that the draft be reviewed prior to participation. The UFMP draft can be found on the City website, here: <https://tinyurl.com/UFMPdraft>, and the appendices are here: <https://tinyurl.com/UFMPdraftApend>.

Please join either meeting from your computer, tablet or smartphone:

To register at any time, simply enter the Registration URL below into your Browser. After registering, you will receive a confirmation email containing information about joining the webinar.
