Wednesday, January 8, 2020

On Thursday, December 12th, the City Council adopted a new Somerville Zoning Ordinance (SZO) which can be found at www.somervillezoning.com. The new ordinance took effect immediately and supersedes the previous regulations. As a result, all existing Special Permit, Special Permit with Site Plan Review, Design & Site Plan Review, Variance, and other applications submitted pursuant to the previous ordinance (i.e., stamped by the City Clerk prior to December 12, 2019) are considered null and void. The Planning & Zoning Division is currently working with applicants to transition to the new SZO.
