# Somerville Community Preservation Committee FY22 Application Summary

## Grace Baptist Church

### PROJECT DESCRIPTION

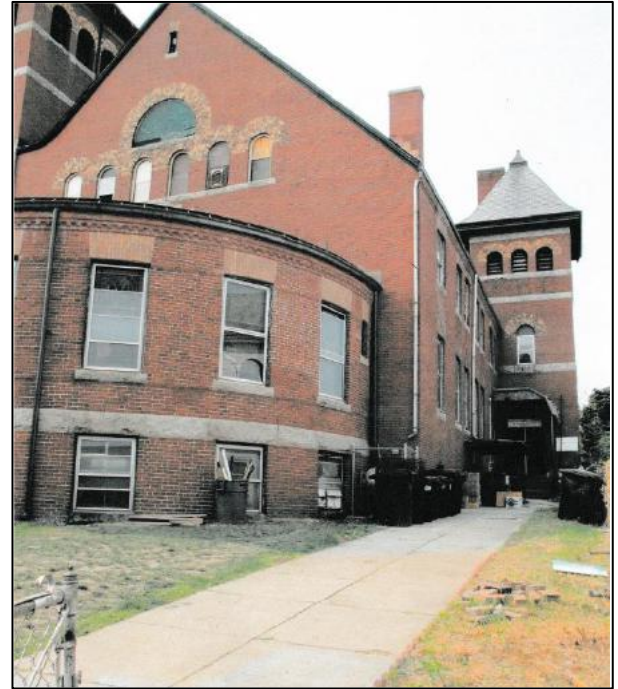

The Somerville Hispanic Association for Community Development requests CPA funds for continued preservation of the historic Grace Baptist Church in which its programs are housed. The funds requested in FY22 will cover the cost of emergency structural repairs to the roof, as well as providing a new entrance and floor elevation to enable handicapped accessibility to the ground floor, as well as the foundation for an elevator to eventually serve the upper floors of the building.

### ELIGIBILITY

*Historic Resources:* This project would rehabilitate a historic building, enabling it to be used for its intended purpose.

### ALIGNMENT WITH COMMUNITY NEEDS

The Somerville Hispanic Association for Community Development is an East Somerville non-profit that serves a range of urgent community needs including food, shelter, childcare, and gathering space for numerous community groups. Continuing upon work funded through previous CPA grants, the project will help to preserve the historic building and ensure that the programs and services are handicapped accessible.
