The Harvest Club initially submitted our application with a security plan from Wayne Alarm.

Since submission, we have elected to go with a different provider for security at our proposed Somerville dispensary, LAN-TEL communications.

We submit their quote to the MAC for review.

LAN-TEL Communications, Inc., is the industry leader and trusted provider of structured cabling systems, integrated public safety and security solutions and IT infrastructure services. As a licensed security and Tel Data Contractor in the Commonwealth of Massachusetts for more than 25 years, LAN-TEL has offered an unparalleled level of client service, support and innovative technologies to New England's largest corporations, buildings and municipalities.
