

# **The Collaborative:**

## **CCC Draft Application Section 7 and 8**

### **Capital Resources**

The Harvest Club, LLC has secured a banking relationship with People's Credit Union located in Middletown, RI. This will allow us to legally deposit any funds, raised from investors or gained from business interests, that initiate within the legal cannabis industry.

Additionally, The Harvest Club, LLC has secured funding in excess of \$200,000 to begin work on the Somerville dispensary. As the release of some of these funds are tied to certain benchmarks, such as municipal approval, we will be able to fully populate this section when submitting to the CCC. This section will include documentation on:

- The existence of funds
- Certification that the funds were legally obtained
- Amounts and sources of the funds provided to the applicant including, but not limited to, funds from any individual that will be contributing capital resources for the purposes of establishing or operating the identified Marijuana Establishment
