

Somerville Community Outreach effort

In 2019 Revolutionary Clinics, Somerville created charity programs that helped fund veterans, the homeless, those with financial hardship, the epilepsy foundation, hunger, immigrants and community pride through regular grassroots fund raisers and donations. As a part of this effort, we formally launched a community advisory group made up of local residents and business owners to help us determine where we can best serve the community. The advisory group meets quarterly and consists of seven people that are business owners, local residents and those in community service. Nick Mian, a local resident whose property abuts our 67 Broadway location is the President of the group.

In 2019 the group looked at and accessed the various non-profit organizations in Somerville that would be most deserving of a donation. Everyone voted independently and the following organizations each received a \$2000 check from Revolutionary Clinics.

East Somerville Main streets

Mission is to improve the life of our community by building investment, connection and pride in our main street.

The Welcome Project

Somerville's leading immigrant organization, The Welcome Project builds the collective power of immigrants to participate in and shape community decisions.

Somerville Homeless Coalition

The mission of the Somerville Homeless Coalition is to provide homeless and nearly homeless individuals and families with individualized supportive services and tailored housing solutions with a goal of obtaining and maintaining affordable housing.

Somerville Community Corp

Somerville Community Corporation works to sustain affordability and livability for the residents of Somerville, Mass. With our members, we focus on amplifying the power of low and moderate-income people, recent immigrants, and generational descendants of earlier immigrants.
