For Fire Alarm and Sprinkler installation or modification permits, plans depicting where all devices will be located must be emailed along with applications for permitting.

Additionally, Sprinkler permit requests also require stamped hydraulic engineer plans to be submitted with those applications.

All permits and plans must be submitted by email to fireprevention@somervillema.gov. Check or money order made payable to City of Somerville, can be mailed to, or dropped off in the black mailbox at our office at Fire Prevention, 1 Franey Rd., Somerville, MA 02145.

We cannot accept cash, credit card, or electronic transfer.

This permit covers one inspection. If for any reason more than one inspection is necessary, an additional fee of \$50.00 may be charged for each additional re-inspection.

**Fire Department Inspection must be conducted after final electrical inspection.*
