permanent structures are approximately located on the land as shown. They either conformed to the setback requirements of the local zoning ordinances in effect at time of construction, or are exempt from violation enforcement action under M.G.L. Title VII, Chapter 40A, Section 7, and that there are no encroachments of major improvements either way across property lines except as

According to Federal Emergency Management Agency maps, the major improvements on this property fall in an area designated as Zone. *e*
