(amend 11/19/12)
1.04. Admissions to the Premises

a. Without the express approval of the Licensing Commission, the licensee shall not establish areas of the licensed premises that are intended for public use but which are, by design or appearance, separate premises not readily accessible from one to the other from the interior of the structure.

j. Unless otherwise provided by the Licensing Commission, licensees are permitted to keep windows in an open position during the hours of operations. Permission to have windows in an open position at the licensed premises is a privilege granted by the Commission and may be modified, suspended, or revoked for any violations of any condition or restrictions of the license, or any violations of applicable law, regulation, or ordinance, or for other good cause, as determined by the Commission. Licensees must immediately notify the Commission when the assignee forecloses under such assignment of stock or when other proceedings are brought which affect the economic and financial rights and abilities of the licensee.

n. Alcoholic beverages licensees shall not enter into any agreement or understanding which sets a minimum requirement for gross sales of food and beverages at the premises.

Licensees who choose to permit minors onto the premises, whether pursuant to an "I.D. bracelet" program or otherwise, are held accountable if minors are found to be drinking alcoholic beverages on the premises, whether or not the Commission's agents are able to prove that the licensee actually served the drink directly to the minor. Sufficient security personnel should be employed to monitor the premises to ensure that patrons do not pass alcoholic beverages to minors.
g. Throughout these rules and regulations, references to sales of alcoholic beverages are for those premises which hold licenses to sell alcoholic beverages on the premises. p. Sale of low alcoholic beverages to anyone under 21 years of age is prohibited.

1.09. Environs of Licensed Premises

a. It shall be the obligation of licensees to ensure that a high degree of supervision is exercised over the conduct of the licensed establishment at all times. Each licensee will be held accountable for all violations that are related to the licensed premises to determine whether or not the licensee acted properly in the given circumstances.

b. Licensees shall maintain compliance with all health and safety laws for the areas outside and contiguous to the licensed premises.
c. Licensees shall act reasonably and diligently to disperse loiterers or patrons who attempt to congregate in front of or at the licensed premises.
