Applying for a Sign or Awning License

Pursuant to City Ordinance 12-14, you must obtain a License to install any sign or awning over a public way in Somerville. Generally, a license is required for any sign or awning, even one mounted flush against the side of a building, if that sign or awning would land on a public sidewalk if it were to fall straight down.

TERM:
- Once issued, the license is valid until amended or revoked by the City, or until the licensed sign or awning is altered, replaced or removed.

APPLICATION CONDITIONS:
- You must apply online.
- The application must be filled out on behalf of, and signed by, the future owner of the sign or awning, not the installer. All bonds or insurance policies required must be purchased by the owner, not the installer.
- The sign or awning must be suitable pursuant to the building code and the zoning code.
- If the sign or awning is located in a historic district, the sign or awning must be suitable pursuant to the Historic Preservation Commission.
- A City and County Licenses and Permits Bond in the amount of $5,000, or a Certificate of Insurance showing the City of Somerville as an Additional Insured on your business liability insurance.
- You must have paid all taxes, fees or fines owed to the City of Somerville.
- The license is not transferrable.

FEE:
- $50.00 nonrefundable application fee.
- $275.00 license fee, paid after the application is approved.

ADDITIONAL DOCUMENTS REQUIRED:
The City requires that you upload the following documents as part of your application. The City will not process your application until these documents are included:
- A Workers’ Compensation Insurance Affidavit for the sign owner (download the form when you apply).
- A scale drawing and rendering of the sign or awning.
- A City and County Licenses and Permits Bond in the amount of $5,000, or a Certificate of Insurance showing the City of Somerville as an Additional Insured on the sign owner’s business liability insurance.
