

# Building Community

Means Growing Great People, from Cradle to Career

## High School

Life skills preparing for college and career

## Late Elementary/Middle

Content knowledge and good habits

## Early Elementary

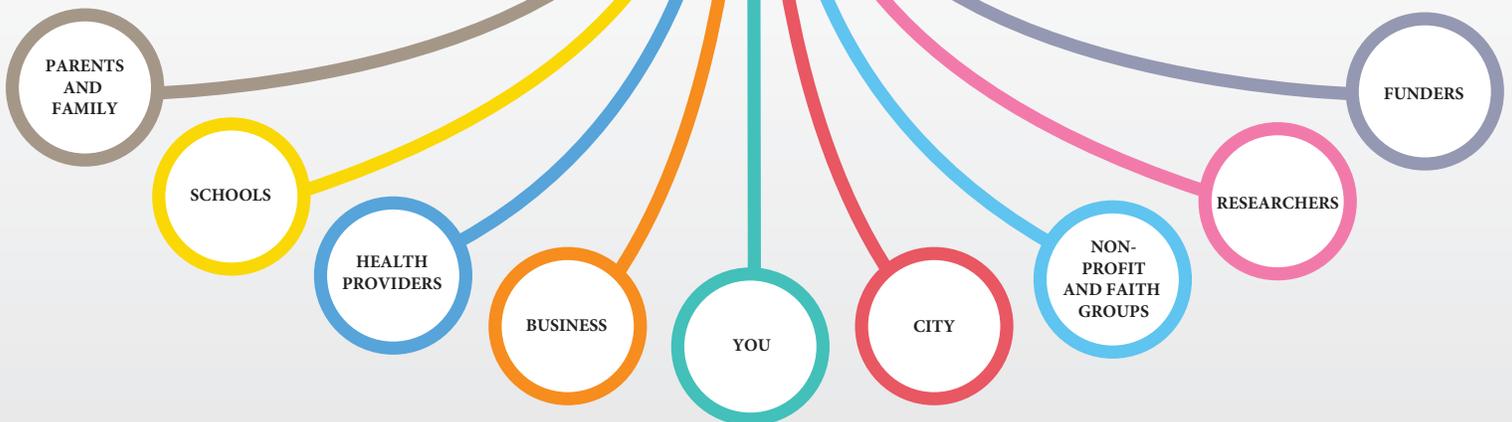

Foundation of education skills

## Beginning Years

Good health and community support

## SomerPromise aligns resources to:

- Support access and achievement in school and in life
- Identify and reduce gaps and overlaps
- Advance progress in prioritized areas
  - Create systems change as needed
  - Develop evidence-based approaches
  - Measure and track results
- Promote communication and coherence among partners

We're Growing and Building a Stronger Somerville Together
